"Now, my dears," said old Mrs. Rabbit one morning, "you may go into the fields or down the lane, but don't go into Mr. McGregor's garden: your Father had an accident there; he was put in a pie by Mrs. McGregor."

"Now run along, and don't get into mischief. I am going out."

Then old Mrs. Rabbit took a basket and her umbrella, to the baker's. She bought a loaf of brown bread and five currant buns.

Flopsy, Mopsy, and Cottontail, who were good little bunnies, went down the lane to gather blackberries; but Peter, who was very naughty, ran straight away to Mr. McGregor's garden and squeezed under the gate! First, he ate some lettuces and some French beans; and then he ate some radishes; and then, feeling rather sick, he went to look for some parsley.

Why do people have pets? Give examples

I think, having pets - is a very caring and extraordinary job. You will have to be very responsible for both your and your pet's lives. Why do people have pets though?

Pets may cheer you up and also let down. When you feel lonely, they come and comfort you. Pets - are like humans, they feel, they cry, they love and they hate.

If you live alone, pets will always be at ur side. But if you have a big family and lots of responsibilities, they will likely to help you. Pets support you and give entertainment.

Not long ago, I used to have a very fluffy, grey hamster. It never liked lying on his back. Eventually, he got used to it. It might have been my best friend and the most loving creature in my life. I just loved him. When I had to give away my beloved creature, I couldn't bear such a heavy loss.

People have pets for different purposes. A dog can be used in military conditions or as a normal pet. Different animals can be used to entertain others. Pets like fishes - give a nice decoration.

If your pet is a dog or a cat, they will always love and trust you. Having a faithful pet will make your days happier. Overall, having pets is just like having a bizarre-looking human, who will always be there for you.

So, why do people have pets? To be loved.
