

Rules of the final round of the Olympiad “Formula of Unity” / “The Third Millennium” 2018/19

1. Participants of the final round include the winners of the qualifying round as well as all those who received diplomas for winning in the Olympiad 2017/18. The locations and dates of the final round are listed on the page <http://www.formulo.org/en/olymp/2018-math-en/>
2. The round will last for 4 hours.
3. It is necessary to bring your pens and paper with you. The participants are not allowed to use calculators, computers, telephones, any other communication tools.
4. Solutions should be written in Esperanto, English, French, Georgian, German, Persian, Romanian, Russian, Spanish, Ukrainian, or Uzbek.
5. The participants are to fill in a participant form they receive before the beginning of the final round. (The time for filling in the participants form is not included into 4 hours.) The paper sheets with solutions should not include the participant’s name and other personal data.
6. Since the date of the 2nd round varies in different countries, the participants and organizers are asked not to publish the problems on the web before March 7.
7. Preliminary results of the Olympiad will be published on <http://formulo.org> before March 24, 2018. Appeals (requests to reconsider one’s solutions) can be submitted within 3 days thereafter.

Information for the organizers

1. The Organizing Committee asks the local organizers to ensure participants’ compliance with the rules. The time necessary to fill in the participant form is not included into 4 hours provided for solving problems.
2. The Olympiad papers are to be scanned and sent to solv@formulo.org within 3 days after the date of the final round. The papers of participants of **different grades** should be e-mailed in **separate messages**. Participant forms are to be e-mailed along with the papers in the same messages. The subjects of the messages should include the words “Final round”, the name of the host organization and the grade (R5, R6, etc). The file names should follow an example: solutions1.pdf, form1.pdf, solutions2.pdf, form2.pdf.
3. The papers of unofficial participants (not including the papers marked by the local organizers) should be sent in separate messages with subject lines such as “Final round, unofficial participants, University of Nankago, R5”.
4. In case of any uncertainty, please contact the Organizing Committee by olimp@formulo.org.
