4) The ^{best} place I've ever been to is probably Saint Petersburg. I would say so because it is amazing here and I've already visited it twice.

The first time was in summer of 2017. I visited Saint P. with my mom, aunt, and cousin. ~~We~~ We spent five days here, visiting sights and just walking around every single day. We visited Peterhof, Vasilev Island, different museums and interesting places. It was really fun!

The second time I visited Saint P. was in April of 2018. I went here with people from my school. There were a lot of pupils from 5th to 10th grade. I really liked the museum we visited. It is dedicated to Dostoevsky, a great Russian writer. We saw museums, outdoor sights, and even palaces. Sometimes the teachers would give us spare time to walk around and shop.

I really like it in Saint Petersburg and hope to come back someday!
